54mm Speciality Diorama Figures
EASY-TO-ASSEMBLE WHITE METAL KITS

5a & 5b SHEPHERD STREET MAYFAIR LONDON W1 ENGLAND
Tel: 01-493 7452
These delightful diorama groups which vividly bring to life various historical incidence, offer the collector a fascinating new departure.

Whilst these figures are primarily designed as set pieces an infinite variety of small vignettes or large dioramas are possible. In the case of *The Retreat from Moscow* and *The Burning of the Eagles* many of the figures may be combined to give even further variety.

All figures are available in easy-to-assemble kit form, complete with painting instructions.

**PLEASE NOTE**

*THE RETREAT FROM MOSCOW*
AC5E (two figure group) - is charged as two figures
AC5Q (dead horse) - is charged as two figures

*THE RETREAT TO CORUNNA*
AC8E (dying drummer) - is charged as two figures
AC8L (cart) - is charged as three figures

"The Retreat from Moscow"

A crucial turning point in French military history has been dramatically captured in this highly original diorama

1812
PART 1
One of the most one-sided skirmishes on record, between the Mexican Army and a vastly outnumbered detachment of the Légion Étrangère, is here brought vividly to life in this original diorama.

Available unpainted in easy-to-assemble kits. Painting instructions enclosed with every order. Also a fascinating descriptive history of "Camerone" by well-known author Don Featherstone, will be included with each complete set.
