POSTE MILITAIRE

MILITARY FIGURES FOR THE COLLECTOR
RAY LAMB

Known for some years as a skilful painter and converter of Historex kits, in 1973 Ray Lamb began by designing models in 75 mm for an English firm, producing also that modern masterpiece kit of Taisbo Samurai.

In 1975 Ray Lamb began, under the name of POSTE MILITARE, the wonderful collection of miniatures shown on this catalogue.

Conosciuto inizialmente come abile pittore ed elaboratore di kits della Historex, nel 1973 Ray Lamb iniziò a creare modelli in 75 mm. per un'importante produttore inglese, per il quale produsse anche quel capolavoro di kit che è il Samurai Taisbo.

Nel 1975 Ray Lamb iniziò l'attività in proprio, creando la POSTE MILITARE e dando vita alla magnifica collezione presentata nelle pagine di questo catalogo.
