**RP HOBBY HINT**

Be sure to use a grease-cutting dishwashing detergent to clean figures before you primer them. This will help the primer, paint and glue stick better by removing powder, dust and grease from the figure's surface.

The old adage "Take care of your tools and your tools will take care of you," is corny but true. Extend the life of your Ral Partha paint brushes by cleaning them in warm soapy water after each use. While the bristles are still wet, form them into a point with your fingertips.
Hey Look!
It's a bunch of stuff that we haven't got around to releasing yet!
Oh well, there's always next time...
